Architecture Merit Badge

Summer is a great time to earn merit badges. Architecture is a particularly interesting one. Two field trips to Chicago, read a book, design a room or building and interview an architect and BOOM! You're done! Chicago is one of the best Architectural cities in the world. Come with us to find out why! This will not seem like work. So, mow a few lawns and do a few chores to earn some cash because the Architectural Boat trip is pricey. Scouts interested in earning the Architecture Merit Badge, send an e-mail to Mrs. Schnell - Schnellfamily@msn.com.

June Committee Meeting

There will be a Troop 107 adult committee meeting Monday, June 25 in the Bonhoffer room at OSLC at 7:30 PM. All interested parents or guardians of current scouts are welcome to attend. This is an opportunity to learn more about the organization and operations of the troop. Prior to this month's meeting, two of our Life scouts will be presenting the ideas for their Eagle projects. These presentations are also open to all Troop 107 adults. Please come at 7:00 to hear the Eagle project presentations.

Blast Summer Schedule

The Blast will be mailed out on an irregular schedule during the remainder of the summer. If you have news that you want distributed to the troop during this period, please send an email to Jeff Eastman at T107committeechair@gmail.com

Troop 107 T-Shirts

The second "wave" of new Troop 107 shirts have arrived and are ready for people who ordered them to pick them up. And we have extras for those who want to purchase additional shirts! We recommend that scouts have two shirts because it's our only Class B shirt. Contact Mrs. Alma via email to arrange to get your shirts. Her email address is: bsalma@comcast.net or betsy.alma@comed.com

Save the Date

The annual Troop 107 adult social will be held at the Huntington Swim and Tennis Club on Sunday, August 19 from 5-8 PM. In the event of inclement weather the rain date will be Sunday, August 26. More information will be provided at a later date.
